Many readers have cited the Parable of the Tares, stating that the Evil is taken **first**, before the Harvest. The **Elect is first** secluded & **gathered** in the Barn; then the Evil is bundled & burned (Matt 13:30)

The word **first**, is Strong's G4412, meaning **in time**, **or order of importance**; - be wary of translations

If Evil were taken first, many innocent young would have no parent

Rev 20:5 But the rest of the dead lived not again until the thousand years were finished.

This is the first resurrection, & Judgment Day Begins
